### **Monex USA Earns Consecutive Win for Top Overall Currency Forecaster in Bloomberg's Q1 2022 Rankings**

WASHINGTON, DC – April 6, 2022 – **Monex USA (formerly Tempus FX)** is proud to once again be named the [top overall forecaster](#) for the **G10 currencies** in Bloomberg's FX Forecast Accuracy Rankings for Q1 2022. Notably, this quarter marks their second consecutive win with a historical total of seven quarters achieving this top distinction above nearly 47 other global financial institutions, including some of the world's largest banks.

Additionally, Monex USA earned 1st places for both the Mexican Peso (MXN), holding this top spot for five of the last six quarters, and the New Zealand dollar (NZD). Lastly, Monex USA attained 2nd place for the Australian Dollar (AUD), 3rd place for the Swiss Franc (CHF), 4th place for the British Pound (GBP), and 7th place for the Canadian dollar (CAD).

"We are excited to earn consecutive top rankings amidst extreme volatility to provide accuracy and clarity for our clients and partners. As Monex USA, building on our Tempus legacy, we are proud to uphold our forecasting success under the Monex brand," says [JP Carriedo](#), CEO of Monex USA. "Additionally, we celebrate our colleagues across the pond for their top placements as it further solidifies the unparalleled FX market expertise of Monex on a global scale."

"It is an honor, as always, to rank at the top of participating forecasting institutions contributing to Bloomberg. This quarter brought along devastation through war and completely reshuffled the economic dynamics of the globe," explains [Juan Perez](#), Director of Trading with Monex USA. "While our clients cope with the consequences of a world in turmoil, we look forward to helping their businesses successfully navigate the volatile FX market to their advantage."
